

**Financial Conservator Specialist:** Full Time/salaried position/ Kalamazoo office. Guardian Finance and Advocacy Services is looking for a socially minded and financially competent individual with a broad range of life skills to serve in the role of Court Appointed Conservator. This challenging position helps individuals with mental or physical disabilities to protect and manage their financial affairs. Many of these individuals are at-risk of or have already been financially exploited. Responsibilities include, developing budgets, discovering and protecting assets, working with financial institutions, managing real estate, dealing with complex family dynamics, securing public benefits, and creative problem solving.

Requirements: Bachelors Degree in Business or Social Work preferred with the passion for helping people and competence in life management skills. A generalist with a mix of exposure to banking, accounting, investments, real-estate, para-legal, working with people with disabilities, and lots of common sense is ideal. The organization will support and help develop skills as needed. Integrity and trustworthiness with other's assets a must. Learn more at [www.yourguardian.org](http://www.yourguardian.org).
